

RULES FOR DOGS

The Boffenigo Panorama & Experience Hotel is pleased to welcome all guests who choose to bring along with their pets, who will also be pampered.

But even our VIP's (Very Important Pets), must please adhere to some simple rules to ensure all our guests enjoy their stay to the full. As VIP's, we will endeavor to ensure that this will not be an issue.

- Always bring along the health card for your pet, to confirm that your friend has been properly vaccinated as required and is in good health.
- Only one pet is allowed per room please (otherwise this is not a VIP treatment for your friend)
- Please use a leash in communal areas. We are sure your friend will be happy to show off this latest fashion accessory!
- If you leave your friend alone in the room, please hang the pet-sign that you received at the check-in.
- We don't even have to mention the importance of pet being well behaved and maintaining cleanliness, as we are sure our guests would see to this. This is only a reminder. 😊
- Our cleaning staff need to undertake their work without being disturbed in order to ensure our high standards of hygiene and cleanliness are maintained. If you happen to be in your room whilst they are cleaning, please kindly ensure that your little friend is kept inside their kennel or bed and does not run around the room. Our cleaning staff would be most grateful.

- If your friend were to damage or stain objects or furnishings, you will have to solve the issue with management (unless your dog or cat owns a credit card).
- You are welcome to relax in the garden with your pet under your sunbed, but please stay exclusively in the garden area close to the Parking 2
- Exclusive area: We have reserved an area of garden entirely dedicated to your pets (near the parking area 1). There is a large space for playing and doing their business, but in order to maintain hygiene please ensure that you remove all traces of fouling by your pet and dispose of properly 🐾
- Pets are allowed in the breakfast room and in all the other internal and external communal areas, except the Wellness & Spa area under the following conditions:
 - **Indoor breakfast room:** access during opening hours at the table allocated by the head waiter
 - **Outdoor breakfast room:** access during opening hours at the table close to the garden if available, by the head waiter. If unavailable, breakfast may be taken in the Indoor breakfast room, not near the buffet area
 - **Lunch pool bar:** access during opening hours at the table allocated by the head waiter (close to the garden)

The stay for your pet will only be € 10.00 per pet per day, which will be utilized in cleaning your room after departure, to ensure the room is ready for the guests using the room after you.

Thank you very much and please enjoy your stay!
